Parents' Evaluation of Developmental Status (PEDS)

Product Information

Brief Administration and Scoring Guide

Don't score PEDS without this Guide. This 8 page booklet outlines how to use the three forms that make up the PEDS. It provides a clear step-by-step process to follow in administering the PEDS.

PEDS Response Form

This one page questionnaire is completed by parent/s. This questionnaire includes ten items and space is provided for the parent's response. Translations are available in Arabic, Chinese, French, Haitian, Hmong, Indonesian, Portuguese, Russian, Somali, Spanish, Swahili and Thai.

PEDS Score/Interpretation Form

The parent's responses to the ten item questionnaire (PEDS Response Form) are transferred onto the PEDS Score Form by the professional. The information from the PEDS Score Form is then interpreted using the PEDS Interpretation Form. These two forms are printed back-to-back on an A4 page.
